"Reseñta del editor "Shop Renovation Graphics showcases around 90 visual examples of unique and diverse shop renovations. These properties have been successfully restored to create a new impression and add value to the local area. Each shop is introduced through simple floor plans, before-and-after photos of facades and key design elements. Enjoy the thrill of seeing buildings that were once used as historic machiya teahouses, old office buildings, or seasoning factories transformed through careful renovation into attractive shops, complete with stylish

mid-century furnishings, contemporary kitchens, etc. Shop Renovation Graphics is a great reference for interior/graphic designers and show owners alike."".
