All Things Guy: A Guide to Becoming a Man that Matters All Things Guy: A Guide to Becoming a Man that Matters talks

to kids straight on-no soft peddling, no sidestepping. It speaks to them where they live too much of the time-in the pop culture and media world. It says what good, faithful parents want to say, but may not always be able to find the words. Dr. Ray Guarendi Best-selling Catholic author and speaker Many fathers suspect the "feminizing of the faith" and long for a more muscular Christianity to pass along to their sons. They want something that isn't just a matter of fulfilling Mass obligations or being a "nice person." All Things Guy: A Guide to Becoming a Man that Matters goes through the basic of Faith, always aware that boys learn to know, love and serve God in their own generation-not their grandparents. There are precious few resources out there for young men. All Things Guy is among the best! Don't let the opportunity to grow strong, faithful men slip by. Use this resource! Al Kresta President and CEO Ave Maria Radio Best-selling Catholic author and speaker All Things Guy: A Guide to Becoming a Man that Matters is chock full of great content presented in a fashion that will appeals to boys. Mixed in with the messages on dignity, virtues, and becoming a "Man that Matters" are mazes, puzzles, games and activities that drive home the authors' points. I particularly enjoyed the "Media and Men that Matter" and "Know Your History" chapters. The book is aimed at readers ages 9 through 14, but could be read to younger boys under adult supervision and will also be enjoyed by older boys due to the depth of the content included. I'm pleased to give All Things Guy: A Guide to Becoming a Man that Matters my highest recommendation.
